

**Article 13 celebrates our 10<sup>th</sup> Birthday**  
**01 September 2008**

Article 13, a leading [corporate social responsibility](#) consultancy, is celebrating its 10<sup>th</sup> Birthday. Over the years we have worked extensively in the areas of Sustainable Development, Corporate Social Responsibility, and corporate governance. We have built up a vast network of [associates and international experts](#) who aid our success in actioning [business responsibility](#) and corporate citizenship globally.

Since our inception in 1998 the Article 13 Group has expanded to include [Wheelhouse UK Ltd](#) which encompasses strategic behavioural change through [executive coaching and mentoring for leadership performance](#).

Rather than throwing an extravagant birthday party to celebrate this achievement we are sending out a special birthday card to our vast array of clients, associates, suppliers and network members. The money that we would have spent on a venue, drinks, and food we have instead donated to a children's charity, more specifically [ChildReach projects](#) which advocate children's rights and poverty alleviation. Article 13 has made a significant donation and now asks its friends to join us.

We have set up Article 13's appeal, which can be accessed by visiting <https://secure.efundraising.org.uk/tailored/donation.asp?charity=73394> Please choose Article 13 from the drop down menu and give generously. We urge you to join us in this extremely valuable initiative and pledge your support to making a difference.
